the Arizona Bunch Win the Contest.

Winning because they had the best team, the Douglas club took the third and final one of the El Paso-Douglas series by a 4 to 2 score Sunday. Rumsey pitched his usual good game, sur-passing one Pitts who worked for Douglas and also pitched some ball. Where Douglas cleaned up El Paso was in the team play, the thing that wins games. Douglas is at the top of the percent-age column because she has won the 1 most games and these games have been won by just such playing as the Demons did here Sunday. It was a creditable ing a fair and satisfactory game.

Douglas scored in the second and El Paso tied things in the third. Douglas made two more in the fourth and cinched the bet with a final one in the ninth, after El Paso had added a score to her total. Douglas got to Rumsey for four hits in the fourth, Le Brand and Guy-nup getting little scratch infield offerings that put them on bases and as-sisted in the scoring.
